Our beach has been lonely this month, not because our members don't want to frolic naked in the surf. Between the confounded weather and uncooperative boats we have been land locked. We are optimistic that the coming month will provide sunny days and no tan lines.

Dinner Out

The **Celtic Ray** in Punta Gorda was the location of the most recent dinner out. It was a beautiful day and 8 members, Tom & Pat, Ann & Gene, Bob & Rosie, Lothar and Sandra whiled away the afternoon over drinks and some delicious and decadent meals and dessert.

The Hut at Buckingham

Members who showed up at "The Hut" numbered about six. Sandra headed up the outing. Even though the turnout was lean, apparently everyone had a great time. Reinhard thought the place had a cool atmosphere and the food was really good. We have a great group and no matter if it's 3 or 30 we all love getting together and having fun!

Coming Events

Well summer is officially started so it's time to get those boats out and plan some fun!!
